◆ ABOUT US

WeMe Finance is a fully accredited finance company specialising in mortgage broking services. The business was established by Joanne Liu in 2020, a Licensed Mortgage Broker with over 10 years' experience in the finance and accounting industry. With dedication, hard work and professionalism, Joanne has led her team to be recognised by numerous industry awards and accolades.

WeMe Finance puts customers in the center of everything and provides customers with a lifetime 1 on 1 personalised service. We are accredited with the majority of home lenders in the Australian financial market. Based on your individual circumstance and financial goals, we will work out a plan to help you achieve your financial goals. WeMe's objective is to help you find the suitable loan products, optimise your loan structure, and save on interest payments.

WeMe believes that you have the right to choose the right financing options and enjoy the benefits out of it! We are the experts that you can trust. WeMe specialises in home and investment loans, refinance, construction loans, business and commercial loans.

WeMe is not just a mortgage broker. WeMe is your mortgage carer, we care about you and your lending needs. We do not just help with the application process, but also play a role as your 'Private Banker' to look after your home loan needs throughout the entire term of the loan. We will never leave you alone. Instead, we will always be here for you!
